

**METROPOLITAN ENTERTAINMENT & CONVENTION AUTHORITY
REQUEST FOR PROPOSAL 23021
15 KV SWITCHGEAR CLEANING
SEPTEMBER 22, 2022**

PART I - INTRODUCTION

The Metropolitan Entertainment & Convention Authority (“MECA”) is requesting proposals from qualified organizations interested in performing all services to inspect and clean twelve sections of 15kV Switchgear at CHI Health Center Omaha (“CHIHCO”). MECA is responsible for managing the operations of this Facility.

1. Anticipated RFP Schedule

This Request for Proposal (RFP) and the guidelines set forth for responses hereto are intended to provide MECA with significant substantive information early in the negotiating process so that final agreement can be reached quickly. MECA has therefore established the following schedule:

RFP Issued	Thursday, September 22, 2022
*Mandatory Pre-bid Meeting	Wednesday, September 28, 2022 at 10:00am
Final Questions	Friday, September 30, 2022 at 2:00 pm
Due/Public Opening (time)	Thursday, October 6, 2022 at 10:00am

* This is a mandatory pre-bid meeting. All Bidders who may wish to provide a Proposal must be present at this meeting. Bidders must notify MECA at kshiers@omahameca.com of their intention to attend this meeting no later than 2:00 pm September 21, 2022.

2. Bidder Inquiries

All inquiries regarding this RFP must be made in writing and addressed to kshiers@omahameca.com. Oral explanations or answers shall not be valid. Revisions, clarifications, and/or additional information will be issued to all Bidders in the form of an RFP addendum. All or any RFP addenda issued to the Bidders prior to the bid due date shall become a part of the bidding documents and the cost of such work shall be included in the bids.

3. Delivery of Proposals

Two printed copies and one electronic copy of proposals must be submitted and signed by an officer of the company, and delivered before the time set forth in Section 1 to MECA’s offices:

MECA
RE: Bid on 15kV Switchgear Cleaning 23021
455 North 10th Street
Omaha, NE 68102

All proposals received will be publicly opened at MECA’s offices at the time set forth in Section 1. Bidders may attend; however, attendance is not required. MECA reserves the right to accept or reject late proposals or to extend the time for response for one or

more respondents. If sending a bid electronically, email to: RFP@omahameca.com. Bid will not be accepted to a personal email box.

4. Criteria for Evaluation of Proposals

4.1 Evaluation of Compliance with RFP Guidelines

Each proposal received will be evaluated to determine whether it generally supplies the information requested in this RFP. MECA may (at its sole discretion) disqualify any proposal, which it deems incomplete or non-compliant. All proposals shall be valid for acceptance for a period of ninety (90) calendar days.

4.2 Evaluation of Proposals

Proposals will be evaluated based on the following criteria: (a) the company profile, background, experience, and references of the proposing party; (b) service and support; (c) ability to agree to the requested contractual terms and conditions; and (d) financial considerations. Other criteria may be considered by MECA based on the nature of the proposals received.

4.3 Selection of Respondents

Based on the foregoing criteria, MECA will select one or more entities for further negotiations. It is possible that based on the responses, MECA will elect to negotiate with more than one respondent. In such event, all selected entities will be informed that others have also been selected for negotiation, although MECA reserves the right to not disclose the identity of the other selected respondents.

MECA will notify the successful Bidder of the acceptance of its proposal. Such notice will be sent to the name and email address of the bidder as stated in its proposal.

4.4 Reservations

MECA reserves the unqualified right to reject any or all proposals, extend the time for receipt of proposals from all Bidders, waive defects or technicalities, correct discrepancies, advertise for new proposals, or to take any other action that MECA determines, at its sole discretion, to be in its best interest. MECA reserves the right to award the contract to other than the low bidder. Any such determinations or actions may be made without notice. All costs of preparation and submission of a proposal shall be at the risk and expense of the respondent. MECA shall have no liability in connection with a proposal or any respondent.

4.5 Proposals

All bids and proposals submitted by the various Bidders for this work become the property of MECA. Neither MECA nor the Bidders shall disclose the contents of any proposal to the other parties prior to the announcement of the award.

5. Contractual Terms and Conditions

Review and provide a detailed response whether the following contractual terms and conditions are agreeable. The Bidder's Proposal shall specifically note any requested modifications to this section, which MECA may take into consideration during the review process, at MECA's discretion.

5.1 Service Agreement and Payment

The successful Bidder will be required to execute a MECA Service Agreement prior to performing any portion of work required within the specifications of this RFP. A sample MECA Service Agreement is available upon request.

Payment terms will be Net 30 days from installation and acceptance by MECA.

Termination

The Agreement is terminable by MECA upon minimum sixty (60) days written notice, without penalty or cause.

5.2 Insurance

The successful Bidder must provide evidence of the following types of insurance during the term of the Agreement. For the avoidance of doubt, such coverage and limits are minimum requirements and shall not be deemed as a limitation on vendor's liability under any provision of any agreement. Approval of the insurance by MECA shall not relieve or decrease the liability of the vendor hereunder. Note any available insurance proceeds in excess of the specified minimum limits and coverage shall be available to an additional insured.

Commercial General Liability Insurance (including premises operation liability, contractual liability and product/completed operations liability) and Automobile Liability coverage (owned, non-owned and hired coverages) with minimum limits of \$1,000,000 Combined Single Limit (Auto Liability), and \$1,000,000 Per Occurrence, and \$2,000,000 General Aggregate. Commercial General Liability aggregate limit will apply on a "per location" basis. The insurance must protect the Bidder and MECA from claims for personal injury (including bodily injury and death) and property damage which may arise from or in connection with the performance of the Bidder's services hereunder or from or out of any negligent act or omission of the Bidder, its officers, directors, agents or employees.

Workers' Compensation Insurance as required by applicable law. Policy shall be endorsed to include Waiver of Subrogation against MECA, the City of Omaha, their employees, officers and legal representatives.

Employer's Liability Insurance with minimum limits of:

\$500,000 Each Accident—Bodily Injury by Accident

\$1,000,000 Policy Limit—Bodily Injury by Disease

\$500,000 Each Employee—Bodily Injury by Disease

Umbrella or Excess Liability: additional \$5,000,000. Coverage is to apply to excess of Commercial General, Employer's Liability, and Automobile Liability policies.

All such insurance required above shall be with companies and on forms acceptable to MECA and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days unrestricted prior written notice thereof is furnished to MECA. All insurance shall be primary and not contributory. All insurance shall be written by companies with a Best's Key Rating Guide (Property-Casualty, United States) rating of A or better and a Best's Financial Size Category of Class VI or better. Within thirty (30) days of the date on which

coverage is to be provided hereunder, the successful Bidder shall furnish to MECA certificates of insurance along with copies of endorsements evidencing compliance to the above requirements. Such certificates and insurance policies shall name MECA and the City of Omaha as additional insureds on a primary basis, and contain a waiver of subrogation, in which the insurer waives any claim or right to recover against MECA, the City of Omaha, their officers, agents or employees. The additional insured requirement does not apply to Workers' Compensation.

5.3 Indemnification

Bidder does hereby covenant and agree to indemnify, defend and hold harmless MECA, and the City of Omaha, their officers, directors, employees, agents and representatives, from and against all claims, demands, losses, suits, damages, liabilities, costs and expenses (including reasonable attorneys' fees) arising out of or relating to any claim, demand or judgment for property loss or damage (including loss of use of the Facility), and/or personal injury, including death, arising out of the Products and Services furnished hereunder by Bidder and Bidder's Personnel except to the extent same is caused by the negligence or reckless conduct of MECA or its employees or agents.

MECA is not responsible for any equipment, furnishings, supplies or other property or products owned by Bidder and used or stored at the Facility, nor is it responsible for damage resulting from power failure, flood, fire, explosion or other similar causes.

The provisions requiring the furnishing of personal injury liability or property damage liability insurance shall not be construed to affect or impair the generality of the forgoing.

The successful Bidder shall represent and warrant in the contract that the components of this RFP to be purchased for the Facility shall not violate or infringe upon any patent, copyright, trademark, trade secret or other intellectual or proprietary right of any third party. The Bidder shall agree to defend, protect and hold harmless MECA and its related parties from and against any and all liabilities, actions, losses, awards, damages, costs, claims or expenses including reasonable attorneys' fees incurred by them as a result of any claim that the components of this RFP to be purchased for the Facility are illegal or infringe upon any third party patent, copyright, trademark, trade secret or other intellectual or proprietary right.

5.4 RFP and Bidder's Proposal

This RFP and the Bidder's proposal thereto shall become part of any contract that may be entered as a result of this RFP.

5.5 Warranty

The Bidder shall warrant in the contract that the components of this RFP to be purchased for the Facility shall be new and of good and workmanlike quality and fit for the use intended. The Bidder shall further warrant that during the manufacturer's warranty period that the components will operate in accordance with the manufacturer's specifications. The manufacturer's warranty period shall be specified on the Bidder's proposal and shall begin on the date of MECA's acceptance of the installation. All other specific promises and warranties made

by Bidder in the RFP Response or bid process generally shall also be included in the final contract.

5.6 Scope, Quality of Work Guarantee

The successful Bidder shall furnish all equipment, labor, and personnel necessary to perform and complete the work.

5.7 Conduct of Personnel

No business, other than that specifically outlined in the RFP, may be conducted by personnel of the Bidder while on the premises of the Facility.

The Bidder shall be responsible for all actions of its employees, while they are assigned to the Facility. The employees shall always comply with applicable laws, ordinances, and regulations of local, state, and federal agencies, along with all regulations, policies, and procedures of MECA.

Bidder certifies and agrees that, with respect to its staff and employees who will participate in the performance of this Agreement, the Bidder shall maintain a workplace free of drugs and alcohol during the term of this contract.

If, for whatever reason, MECA determines that personnel assigned to the Facility are unsatisfactory, the Bidder shall replace the individual immediately or as mutually agreed upon.

5.8 Sales Tax

All federal, state and local taxes, including without limitation sales, use, excise, privilege, transactional, gross receipts, ad valorem or any other transactional tax or customs and duties ("Tax" or "Taxes") paid or payable by Bidder, however designated, levied or based on amounts payable to Bidder under or in connection with the RFP have been included in the pricing set forth on Attachment A – Proposal Form as required by the relative taxing authorities.

MECA is a sales taxable entity and as such, Bidder warrants that sales tax is included in the price provided on Attachment A – Proposal Form. Notwithstanding anything in the Agreement to the contrary, the successful Bidder shall indemnify and defend MECA for any sales tax audit assessment against MECA relating to the amount of Nebraska sales tax charged under this Agreement.

As a Vendor of CHIHCO, any sales tax collected must be reported to the State of Nebraska monthly. A Convention Center Facility Financing Assistance Act Sales and Use Tax Information Form must be completed and filed on or before the 20th day of the month following the month of sale. Forms are available by contacting MECA's Finance Department. Vendor must also supply MECA with the Vendor's Nebraska Sales Tax Permit number on Attachment A – Proposal Form upon execution of the Agreement.

PART II - SCOPE OF PROJECT

The successful Bidder is responsible for furnishing all labor, equipment, materials and supplies to inspect and clean 12 sections of outdoor 15kV Switchgear of accessible

switchgear bus, bus supports, and primary disconnects. This includes removal of bus covers and barriers, cleaning bus insulation, supports, boots and connections. A written report of any issues and/or observations and recommendations must be presented to MECA before performing maintenance outside the scope of the project.

The Successful Bidder will:

- Inspect and clean accessible switchgear bus, bus supports, and primary disconnects
- Remove bus covers and barriers, and clean bus insulation, supports, boots and connections
 - Note: Any taped or sealed bus connections should not be cut open, exposed, or torqued
- Inspect and clean bus barriers, supports, primary disconnect bottles and primary disconnects
 - Verify bus and runback bus bolt torque and conductance (micro-ohm or ductor)
- High potential test switchgear bus
- High potential test circuit breaker runbacks (and cables) as desired and where isolation is feasible
- Clean, inspect and lubricate circuit breaker primary disconnects, conductors, supports & barriers
- Clean, inspect and lubricate circuit breaker secondary disconnects, conductors and connections
- Clean, inspect and lubricate circuit breaker trip, close, spring charge and racking mechanisms
- Clean, inspect and lubricate circuit breaker auxiliary, MOC and TOC switches
- Inspect and test the control power supply (close, trip and spring charge) circuits.
- Test circuit breaker contact, and primary disconnect conductance (ductor/micro-ohm)
- Test circuit breaker insulation resistance (high potential) tests
- Control components – check fuses, status lights and wiring termination screw tightness
- Inspect protective relays for power, general operation, errors, targets, events & alarms
- Inspect and test tripping control power capacitor trip devices
- Inspect control power source transformers and switching devices
- Perform trip/close operations check on circuit breakers and control circuits
- Verify that control switches are in their normal (ready) positions
- Verify that indicating lights are operational and that no alarms are present
- Verify that electrical metering is operational and functioning correctly
- Inspect housings for water leaks, rust, and corrosion
- Testing of the 12 Cutler-Hammer Digitrip 3000 Circuit Protection Relays
- Provide a full testing report once maintenance and testing has been completed
- Provide system operator training of up to three (3) hours

General information:

- Shall obtain all necessary permits and licenses for the Work.
- Shall adhere to all codes, ordinances, or other regulatory requirements covering the scope of this project.
- Must provide sufficient safety and pedestrian barriers while work is in progress.

- Bidder is responsible for providing power source for power tools and lights if needed
- Responsible for keeping work areas in a safe and orderly manner.
- Responsible for cleaning work area upon completion each day.
- Must protect all adjacent areas not receiving work under the project and repair any damage to these areas at their own expense.
- The successful Bidder must provide MECA the name and cell phone number of the project lead that will be on site every day.

Timeline:

It is anticipated that a signed Purchase Agreement will be in place by October 12, 2022. The successful Bidder must make every attempt to complete the work as quickly as possible. All work must be scheduled with MECA to accommodate the event schedule. This will require work be completed in phases.

- All work will be done after business hours on weekdays & on weekends.
 - Our business hours on weekdays and weekends fluctuate based on our event schedule. MECA will supply the winning bidder with a schedule for each day of the project.
- OPPD must be contacted each day to de-energize & lock out and to re-energize.
- The facility can only be de-energized for 5 hours at a time, so it is important that work begins immediately once deenergized.
- The successful Bidder must provide MECA a detailed schedule for completion of the Work.
- The successful Bidder must provide MECA weekly status reports with and updated schedule.

PART III - Information to be Supplied by Bidder

For ease of evaluation and given the fast-track that MECA desires to pursue to reach final agreement, MECA requests that each proposal submitted incorporate the same general structure. Proposals must include the following sections:

1. Attachment A - Proposal Form

Attachment A – Proposal Form, must be completed, signed and submitted as the first page of the Proposal. Proposal must include all costs associated with a complete service.

2. Company Profile

The Bidder should provide information about the company, including the following information:

- A. Company name, address, telephone number and contact person.
- B. Brief company history, which can be in the form of a company brochure.

3. Subcontractors

In order that MECA may be assured that only qualified and competent subcontractors will be retained for the service, each Bidder shall submit with his/her name a list of all subcontractors that the Bidder intends to use. No change shall be made in the list of subcontractors after the receipt of proposals, unless agreed to in writing by MECA.

4. References

Bidders shall supply a list of three references that you have provided similar product/service for, including names and telephone numbers of the customer's contact person. Provide a brief description of product/service for each reference listed.

5. Warranty and Support Information

Bidders must provide warranty information for services.

6. Deviations from Scope of Project

Bidders must document all deviations from the specifications outlined in the Scope of Project in Part II.

7. Contractual Terms and Conditions

The Bidder shall review and provide a response whether the contractual terms and conditions set forth in Part 1, Section 5 are agreeable. A detailed response is required if a bidder is not agreeable to one or more of the terms and conditions set forth in Part 1, Section 5.
